

Racers,

Thanks for a great opening race to the 2008 GAX Series. Results are included in this file without team names etc. Team names and team competition standings will be updated and posted by middle of the week. But, we're all eager to see how everyone did so check it out.

Thanks again and we'll see you in Savannah.

Georgia Cross

PS, we did our best to misspell everyone's name through several handwriting translations so don't feel bad if we butchered yours. Please send an email to [adamjones\\_13@hotmail.com](mailto:adamjones_13@hotmail.com) and we'll be happy to get it spelled correctly. ;)
